July 26, 2011

Mr. Chip Sovick, III
Chief Executive Officer
Healthnet Aeromedical Services
110 Wyoming Street, Ste 101
Charleston, WV 25302

Dear Mr. Sovic:

It gives me great pleasure to inform you that Healthnet Aeromedical Services has qualified for Helicopter Association International's (HAI) *Operator Safety Award* for the year 2010. In recognition of Healthnet Aeromedical Services' outstanding safety record of 58,000 plus hours of flight without an accident since 1986, enclosed please find a 2010 medallion to be placed on your earned HAI Operator Safety Award plaque.

You can take great pride in the fact that you have met the requirements for this award. Your achievement not only reflects favorably upon your organization but HAI members and the entire international helicopter community as well.

Because of your efforts to reduce accident risk, the helicopter industry is better prepared to meet the challenges currently before us and those of the future.

On behalf of HAI's Board of Directors, the staff, and myself, I want to extend our congratulations and appreciation for your focus on safety.

Sincerely,

A handwritten signature in blue ink, reading "Matthew S. Zuccaro". The signature is fluid and cursive, with a long horizontal flourish extending to the right.

Matthew S. Zuccaro
President
