

Launch of Air Medical Services in Portsmouth Ohio

MedFlight of Ohio and HealthNet Aeromedical Services in partnership with Life Ambulance Service has reached an agreement to provide 24-hour medical helicopter services in Portsmouth, Ohio.

A new AS350-B2 "A-Star" aircraft will be based in Scioto County in September 2006. Improved access to air service in the Portsmouth area will begin in June when MedFlight and HealthNet will rotate their respective helicopters to the Portsmouth area until the new aircraft is complete.
